RE: AWARD-WINNING LOCAL BUSINESSES

DATE: 12/18/07

The People have spoken, and they *love the City of Burlington*, for dining out, browsing and beautification.

The City of Burlington Tourism Council is pleased to recognize these winners of the coveted 2007 Burlington County Times "Burlington County's Best" Awards (*See random list, page 2*).

Burlington boasts a high concentration of the best businesses in the entire County, as voted by readers of the Burlington County Times. Thus, visitors are virtually assured of an excellent experience as they shop, dine and tour here.

Thank you for your continued enthusiasm and support of our charming city. We know you'll want to frequent the winning shops, as well as the "*up-and-comers*". Come and enjoy the new stores, services and restaurants in our downtown. Welcome to the historic City of Burlington, where the past is our present to you.

Sincerely,

Grace Shultz
